Trappist

Trappist Ales are bottle conditioned ales brewed by monks of the Cistercian order known as Trappists. Seven of these breweries exist, each with its own unique style....

Style and price vary on brewery and availability, selection found on the specials list.

Lambic 7.00

Lambic's are naturally fermented by airborne wild yeasts, then the beer is aged in wood. Finally fruit is added to balance the tart complex flavor of the wild yeast....

Flavors vary in fruit and can be located within the special sheets ...yes it really is a beer...

Vino

A current wine list is provided with each menu. Our selections focus on Northwest and Italian wines from family owned small production wineries. Our list includes glass and bottle prices, and all bottles can be purchased as retail with a ten dollar discount. Enjoy a bottle of fantastic wine, if you don't finish we can cork it and you can enjoy it later. Or find something you love and take an unopened bottle home with you...
